Re: DDOT Tracking Number 117408 – Scottish Rite

Dear Public Space Committee,

At a duly noticed public meeting held on December 2, 2015, with a quorum present, ANC1C approved the resolution below by a vote of 7-0.

Sincerely,

Billy Simpson  
Chair, Advisory Neighborhood Commission 1C

### Resolution

With respect to the public space elements of the proposed residential development at the Scottish Rite site, ANC 1C calls on DDOT Public Space to ensure that the four on-street parking spaces across from the site on the west side of Mozart Place NW remain in place at all times. ANC 1C prefers that the curb cut for the new structure's parking garage on the east side of Mozart Place be sufficiently wide to ensure that 30' trucks exiting the parking garage can complete their northbound turning radius safely without impacting these on-street parking spaces across from the site on the west side of Mozart Place NW. Any Commissioner of ANC 1C is authorized to represent the Commission before the Public Space Committee in connection with this matter.
