JonMarc Buffa (1C08)

Dear Chair Pfaehler:

At a duly-noticed public meeting held June 1, 2016, with a quorum of 5 Commissioners present, Advisory Neighborhood Commission 1C voted 5-0 to not oppose the project at 2412 18th Street NW and to request that the brick façade on the rear addition match the brick on the original structure.

Sincerely,

Ted Guthrie

Chair, Advisory Neighborhood Commission 1C
